Names and ages of brothers and sisters :

Number of languages spoken at home:

Please complete only the section that you believe would be useful in helping us to become acquainted with your child:

1. What activities do you like to do with your child? (E.g. games, walks, reading)

2. When you are not with your child, what does he/she like to do and with whom?
(E.g. toys, TV, outdoor activities)

3. What have you noticed about how your child plays with other children?

4. What kind of responsibilities does your child have at home? (E.g. dressing self, tidying up, making bed).

5. What kind of experiences your child had ? (E.g. daycare, preschool, swimming lessons, music)

6. Are there situations in which your child becomes particularly excitable, upset or frightened ? If so, what are they ?

7. When your child is upset or anxious, how does he/she react ? ?

8. What ways have you found to be effective in such situations?

9. Is there any other information you would like to share with us ?
(E.g. specific interests or talents, food preferences, ways of observing religious or cultural holidays, specific problems or concerns)

10. Are there any special health problems of which we should be aware ?
(E.g. allergies, hearing, medication, asthma)

11. What are your child's strengths/ weaknesses ?

12. What have you noticed about your child's attitude toward learning ?

13. What is your child interested in ?

14. What does your child especially want to learn ?

15. Linguistic situation at home:
