## WELCOME TO THE CSF TRANSPORTATION BULLETIN –

*You will find important information regarding school bus transportation for the students –  
your children.*

***Transportation registration will start on  
May 1<sup>st</sup>, 2021 until July 9<sup>th</sup>, 2021***

***Families registered before July 9th, 2021 should receive the details of their  
route stop and time during the two weeks prior to the beginning of the  
school year.***

---

*The CSF currently contracts for the operation of over 169 school bus routes  
providing school bus transportation service to CSF school students throughout  
B.C.*

*Changing student demographics requires a review of the bus routes each year, and  
to make adjustments where required. School bus routes are designed to service  
eligible students who have registered for the school bus before July 9<sup>th</sup> of the  
current school year and school bus routes will be prepared on the basis of  
registrations received before this date. Parents are reminded that they must register  
their children for the school bus EACH YEAR.*

### **REMINDER**

*Parents may also use the on-line registration form to request a secondary stop  
at an alternate address to accommodate the parental custody and licensed day  
care needs of an eligible rider. A secondary stop must not alter or extend the  
existing route.*

*Please note Secondary Stops are strictly for:*

- 1. parental custody*
- 2. licensed daycares*

*The secondary stop is NOT for dance, music, art schools or any other  
activities in lieu of licensed child care.*

*Please familiarize yourself with the following CSF Transportation Policy and Administrative Guidelines*

*P-1001 & DA-1001*

<https://www.csf.bc.ca/csf/politiques/>

*Please note that if you are registering to a school outside your catchment area the following CSF Policy and Administrative Guidelines apply.*

*P-504 & DA-504*

<https://www.csf.bc.ca/csf/politiques/>

## **Additional Information**

Walking distance not only varies by grade level, it also varies by school and region.

You can find out about your walking distance by consulting the Administrative Guidelines DA-1001 § 9

Use Google maps and enter your address to the school's address to see if you are within the walk limit or entitled to school bus transportation.
